- "The teachers do not focus on blame, but focus on making sure we get help when it comes to homework and other things."
- "It is easy to still do work even if I couldn't make it to school."

This past weekend Ms. Kuczera was featured on Wood TV News with Dana Whyte to speak on Suicide Prevention. Being our resident expert here, it was great to share her expertise with the rest of the community. In the feature, they discussed both the increased concern with students based on the current Pandemic, along with supports for families in case they have concerns. [You can view the entire feature here.](#) If you are having concerns please reach out or set up an appointment to speak with Ms. Kuczera.
