- Present on goal progression by First Board Meeting in February 2023 and No Later than the Last Day of School.

Building: NexTech High School

Date: 9/9/22

Table A: Building Goals that were established by September 15, 2022

Goal Category	Goal Related to Achievement or Growth as required by law (PA 144 Sec 98b)
Middle of the Year Academic Goal	At least 60% of completed math/ reading courses will earn credit for each trimester through the school year keeping students on graduation pace.
End of the Year Academic Goal	At least 60% of completed math/ reading courses will earn credit for each trimester through the school year keeping students on graduation pace.

Table B: Achievement Related to Academic Goals

Provide a narrative on progress toward meeting the goals outlined above.
<p>Setting these goals at the start of the year helps to ensure that students will maintain graduation pace by passing 60% of the year's courses. Focusing on the core subjects that are required for four full years establishes a baseline of core content for Academic Success.</p> <p>February Narrative: The first half of the year had a number of programmatic challenges that made mastery of courses harder for students and staff. This involved a number of staff leaves for various reasons (maternity, paternity, surgery) and some shuffling of staff to ensure licensure in core classes. In addition there was an influx of off-track students that enrolled, leading to cultural shifts in the program itself. With that in mind the overall course completion was still at 60%, with teachers stating they saw a trend for stronger improvement as the trimester went on.</p> <p>June Narrative:</p>
